Report Report Title

- 1 Declared Majors by Student Standing by Major Department
- 2 Declared Minors by Student Academic Standing by Minor Department

Notes to guide review and interpretation of the reports

- Students can declare (or undeclare) majors throughout the academic year. These reports represent student declarations on a given day in the semester.
- Technical notes for each report are available in the Excel version of this report. These technical notes are intended to answer questions about what is included and excluded from each report.
- The numbers in the PDF file and Excel file should match. If they do not, please notify IRAP.
- PART majors are show out of alphabetical order with no department due to a data error. Please consider PART majors part of the PART department.
