9. Please enclose with this application a statement addressing why you want to return to Beloit College, what you have been doing since leaving campus, and what your academic objectives are at this time. This information will be very helpful to the Academic Performance Committee in evaluating your application.

10. Students requesting readmission who were originally dismissed for academic deficiencies: The Academic Performance Committee expects you to submit a transcript of academic work from another institution as part of the application for readmission process.
11. You may be eligible for academic bankruptcy. After readmission, you must contact Mary Boros-Kazai, Registrar, to request academic bankruptcy prior to the beginning of the semester you plan to return. The policy for academic bankruptcy states:

AA student who has been readmitted after an absence of one (1) year (two terms) or more, and whose previous academic record was deficient may, at the time of readmission, submit a request to the Academic Performance Committee that previous work at Beloit be re-evaluated by the registrar on the same basis as credits offered in transfer. The minimum of 16 units for graduation must be completed at Beloit College after a student has been readmitted.@

___ Yes, I would like to talk with someone about possibly taking advantage of this policy.

___ No, I do not want to take advantage of this policy.

12. To students requesting readmission who have been charged with serious disciplinary infractions while enrolled at Beloit College: Such students must demonstrate convincingly to the Academic Performance Committee that they have altered prior negative behavior patterns and will not engage in such conduct if readmitted to Beloit. The Committee reserves the right to deny such students readmission, even if said students meet academic readmission criteria.

13. Please sign below, indicated that all of the above statements are correct and complete.
