

Class of 2020 First Destinations Survey

Career Works, formerly known as the Career & Community Engagement Center, in partnership with Institutional Research, Assessment, and Planning (IRAP), and The Office of Development & Alumni Relations, surveyed 306 graduates from the Class of 2020, in order to determine their first destinations. The survey methodology aligns with the standards and protocols approved by the National Association for Colleges & Employers, the governing organization for career development professionals. The project connected with 190 respondents, representing a 62.09% response rate.

Overall, 72.11% of graduates were engaged in full-time work, education, or service. Below, please find a summary of the relevant data. A full report, which includes full lists of employers and graduate programs, and a copy of the survey instrument are available from the Career Works office, by request.
