

### **Class of 2019 First Destinations Survey**

The Career & Community Engagement Center, the former Liberal Arts in Practice Center, in partnership with Institutional Research, Assessment, and Planning (IRAP), and The Office of Development & Alumni Relations, surveyed 322 graduates from the Class of 2019, in order to determine their first destinations. The survey methodology aligns with the standards and protocols approved by the National Association for Colleges & Employers, the governing organization for career development professionals. The project connected with 279 respondents, representing an 86.65% response rate.

Overall, 77.78% of graduates were engaged in full-time work, education, or service. Below, please find a summary of the relevant data. A full report, which includes full lists of employers and graduate programs, and a copy of the survey instrument are available from the Career Works office, by request.
